HIGH STREET TRIALS – INSTALLATION, ROAD CLOSURES & RUBBISH

Last week we let you know by email that the High Street Pilot project is proceeding. The first section of the High Street trials, between Shortland Street and Vulcan Lane, will be installed **by Tuesday 15 October**. To accommodate this a series of road closures are proposed. Here's what you need to know:

Road Closures:

High Street, between Shortland Street up to the Victoria Street Carpark exit, is proposed to be closed to accommodate the installation:

Saturday 12 October, 1700hrs to 0700

Sunday, 13 October, 1700hrs to 0700

Monday, 14 October, 1700hrs to 0700

Deliveries and access:

If you have any urgent access requirements that are likely to be impacted by the proposed road closures please contact Sarah Hamilton-Hibbard, Membership Specialist on 09 379 8000

We note that the nearest loading zones are on: Shortland Street, O'Connell Street (before 11am) and Courthouse Lane

Parking

As well as nearby on street carparking, there will be no access restrictions to the Victoria Street Carpark (access off Kitchener Street), and the Secure Carparking off Bacons Lane.

What to do with your rubbish:

- If you are a business located on High Street, between Shortland Street and Vulcan Lane, we would ask that you put your rubbish out on either Vulcan Lane or the corner of Shortland Street/High Street to avoid the stage one work site.
- Outside of that area, rubbish can be put out as normal, as managed access will be given for Waste Collections.

Who to contact:

For specific feedback, queries about access or concerns contact:

- Heart of the City Membership & City Management Specialist, Sarah Hamilton-Hibbard on 09 379 8000

Turn over page for information on Late Night Art – road closures, loading info and rubbish.

LATE NIGHT ART – ROAD CLOSURES, LOADING INFO & RUBBISH

Late Night Art is happening on **Tuesday 15 October**, and will see art installations in the High Street District as part of Artweek in the city centre.

Road closures:

Closures are proposed for Tuesday 15 October to support Late Night Art, including set-up and pack down:

High Street between Shortland Street and the Victoria Street Carpark exit, 12pm – 10pm

O'Connell Street 7am – 10pm.

Deliveries and access:

O'Connell Street: On-street loading will only be able to occur before 7am

High Street: On street loading will be able to occur between 7am and 12pm.

The nearest loading zones are on: Shortland Street, O'Connell Street (before 11am) and Courthouse Lane

Please let us know if you have any specific loading requirements on this day that may be impacted by our plans.

Rubbish collections on Tuesday 15 October

The **5pm kerbside rubbish collection** on O'Connell Street and High Street on 15 October will not occur, instead please take your rubbish to the below collection points:

Rubbish collection points:

- O'Connell St businesses: Corner of Shortland St and O'Connell St
- High St businesses: Corner of Shortland St and High St
- High St businesses: Corner of High St and Victoria St East
- Vulcan Lane businesses: Vulcan Lane on Queen St side

If you use bins for your waste we ask that you either do not put these out during the road closure and/or arrange with your provider for different time/location pick up.

For specific feedback, queries about access or concerns contact:

- Heart of the City Membership & City Management Specialist, Sarah Hamilton-Hibbard on 09 379 8000
- Auckland Council Event Facilitator Ruchita Patel on 021 724 100

For queries regarding the road closures on the day of the event contact:

Betty Mitrova from Evolution Road Services on 021 306 674
