

GETTING RUBBISH RIGHT TOGETHER: KEEPING THE CITY CENTRE BEAUTIFUL

We all have a part to play in keeping our city centre tidy and free of rubbish. Rubbish and recycling put out at the wrong time or in the wrong place impacts on how clean, tidy, safe and attractive our neighbourhood feels. People who get it wrong can also be fined by council.

Be a good neighbour by getting your own rubbish disposal right and making sure the businesses around you are doing the same.

GETTING RUBBISH AND RECYCLING COLLECTIONS RIGHT

At the right time

Mon - Sat from 5pm - 5.30pm and 12am (midnight) - 4am

Sun from 12am (midnight) - 4am

In the right place

At the kerbside, not blocking the footpath, doorways or litter bins

In the right bag

Official orange (rubbish) or clear (recycling) Auckland Council bags only.

Cardboard doesn't go in a bag. Cardboard should be flattened and bound with string or placed inside another box.

With the right contents

No more than 15kg, free of hazardous materials, garden waste or liquids
