

Road Resurfacing Works Notification

Queen Street and Wellesley Street

18 December 2019

Dear Sir / Madam,

Auckland Transport (AT) is responsible for all of the region's transport services (excluding state highways) – from roads and footpaths, to cycling, parking and public transport.

Auckland Transport (AT) will be carrying out road maintenance work along Queen Street and Wellesley Street, Auckland.

This involves road resurfacing and digging out a section of the carriageway

This work will be undertaken in the below areas:

Area 1 – Queen Street between Wakefield Street and Mayoral Drive and a section in the bus lane near bus stop 7056 / 330 Queen Street. Shown in red over page.

Area 2 – Queen Street (northbound lanes) between Wakefield Street and Wellesley Street West, including the intersection of Queen Street and Wellesley Street West. Shown in green over page.

Area 3 – Queen Street (southbound lanes) between Wellesley Street East and Wakefield Street, and some sections of Wellesley Street East. Shown in blue over page.

To minimise disruption to businesses work will take place during the day and night.

While this work is underway, large machinery will be operating in the area resulting in an increase in noise, dust and vibration. Every effort will be made to keep noise to a minimum.

For more information please contact the Downer Project Team:

Downer Stakeholder Manager – **Melissa Kelly**
Melissa.kelly@downer.co.nz / 027 703 6125

Cadet Engineer – **Arnel Jr Agor**
