

CITY OF COLOUR

6 - 22 May

City of Colour is coming to the city centre this May. It will showcase over 50 vibrant art and lighting installations across the city centre – forming an immersive trail to encourage people to rediscover the city at all times of the day and night. City of Colour is a partnership between Heart of the City, Auckland Council and other major city centre stakeholders.

Installations will be located all around the heart of the city - including the Viaduct, Britomart, Te Komititanga, Aotea Square, Vulcan Lane, Freyberg Square, Fort Street, Queen Street and more. Significant landmarks and buildings will also be lit up to add to the atmosphere – including the Town Hall, The Civic, Sky Tower, Vector Lights on the Harbour Bridge, Lightship on Bledisloe Wharf and more. There will also be street banners promoting the event from Mid-April.

City of Colour is kick-starting a programme of initiatives over the coming months to support city centre recovery. To help grow the impact of City of Colour, we'd love you to get involved by brightening up your windows.

Sign up to receive a City of Colour decal (at no cost)

By Monday 11 April, 5pm

Register at hotcity.co.nz/cityofcolour2022
or email us at info@hotcity.co.nz

In addition to the decals, you could:

Add some creative lighting to your windows!

Simply changing the colour of your lightbulbs or putting up fairy lights could be effective.

Please note this design is indicative only. Artwork created by Tyrone Ohia.

If you want to talk through your ideas or have any questions, please get in touch at info@hotcity.co.nz or 09 379 8000.
